**Supplemental Response to Decision on Petition to Withdraw
Holding of Abandonment under 37 C.F.R. § 1.81**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

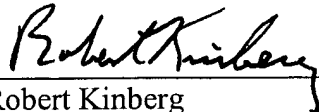

This paper is submitted to supplement the Response filed February 16, 2005 to the Office's Decision on the Petition to Withdraw Holding of Abandonment, mailed February 8, 2005. Specifically, the undersigned wishes to explain that it is the practice of Venable's docketing department to maintain the PTO incoming mail log on a computerized spreadsheet. However, on the date of December 9, 2002, the mail log was kept by hand because the computer network was experiencing difficulties that day.

Applicants also submit an Amendment including a listing of claims to correct improper claim dependencies, so that all dependent claims depend from pending claims.

As it is believed that all of the questions in the Decision have been addressed, Applicants respectfully request that the Petition be granted and a Notice of Allowance reissued.

Respectfully submitted,
